From My Lips to Yours!

If you have ever read one of these before, you know that when April rolls around, it is obligatory to make references to spring being right around the corner, and that means it's time for the chicks to start breaking out their summer wardrobe. Which translates to short-shorts and halter tops. Just the right amount of boobage, ass cheeks and camel toe to get us begging to see more. Well, no need to beg here, because just beyond this page starts the sexual ride of a lifetime! Enjoy!

MARY'S MAILBOXXX

Sealed With A Nasty Kiss!

Yippity do da! Yippity yay! It's just that time again, for ***SWANK*** to hold and sway! And that ain't hay! Okay, so the rhyming is a little lame, but you know what I'm talking about! I just love it when it's time to do my letters again! And here we are—like clockwork—every month now—for so many years! Your letters to me, my answers to you! Ain't it grand? You know what I've noticed as well? Your letters are always getting better, more interesting and even hotter! Yes, ***hotter!*** I have to stop sometimes and just jerk off to some of them! For real! But, you know what? It's all good! That's the Mary Carey guarantee! Thanks for the orgasms, dudes! I owe you one! So, without further crapola, here are this month's missives!

First Minute Fuck

Hi, Mary. I would say that best part of screwing for me—aside from the final load-blow of course—is that first thrust—the first second where my hard cock sinks into a cunt. It's that first full penetration that is as good as anything. What is it for the woman, Mary? I'm too shy to ask the women I fuck. **Tex A., San Antonio, Texas**

MARY: *Wow! Great opening question, Tex! I certainly have to agree with you, as I've taken a lot of hard cock in my time—a lot—and I plan on taking a lot more. And I know, when I am lying there on my back—or on all-fours—or in whatever position I am in—and that first hard stick goes into me—the dude is like, out of his mind with pleasure! So, I know from your angle of the dangle what you are talking about. However, from the chick's point of view? That's a nice thing, of course, taking that first poke—but since our main sexual tinglings in our cunt-areas are in our clit, it takes a lot of more friction to get to our higher point of pleasure. I would say that maybe some 15 minutes into the thrusting as our clits get fully warmed up, is the nicest moment for most of us—aside from our orgasm, of course. But Tex, don't just ask me—ask the ladies you are sharing your cock with—they can give you much more twat-specific answers!*

There are less good porn jobs out there these days

Throat Fucking Fan

Okay, Mary, a letter from one of your female fans! Yes, we are out here, and in bigger numbers than you might imagine! So, first let me thank you for being such a hot, tight, sexual role model to all of us ladies out there that like to fuck—and I mean, I do like to fuck! However, what I like most is getting throat-fucked—you know, when a guy uses my mouth and throat like a pussy and just rams me, and rams me, and rams me! I enjoy being made to gag and spit up! While most of my female friends are very sexually liberated, they all think I am nuts for being into this one particular sex act. Is there anything wrong with me? **Betty S., Stanford, California**

MARY: *If you are happy Betty, I'm happy! And no, there is nothing "wrong" with you. It really is ridiculous, in my estimation, for anyone to judge anyone else's personal sexual preferences. If you are a consenting adult, and you haven't been diagnosed as being insane or something, who's to tell you what sex acts are cool, and which aren't? With that said, I also get off on a good, hard, throat-fuck now and then. Why not? The feel of a good hard dick being jammed in and out can be fantastic! And you didn't even mention how much more fun it is when the cum starts shooting out all over your tonsils! Thanks for being a* ***SWANK*** *fan, Betty, and keep swallowing those dicks!*

Stripping, Porning, Hooking—What's The Most Fun?

I know, these days, a lot of sexual entertainers are so-called "triple-threats." They split their work time up between acting in porn movies, being feature strip dancers, and selling their pussies at legal brothels in Nevada. I have to admire the women that do this, as it seems that each profession requires so many different skills. My question is to the adult pro: Which of these jobs pays the most, and the like? Any insight, Mary? **Phil W., Washington, D.C.**

MARY: *Glad to provide the 411, Phil! I, for example, dance and do porn, but not any brothel work—yet! And, lots of X-workers these days do two or three of the trio of sex jobs. Everyone has their own preferences and favorites, but this is what I can tell you: There are less and less good porn jobs out there these days, while at the same time, stripping is taking a hit from the bad economy. Customers don't have as much tip money as they used to! Right now, the brothels seem to be the place to be for the best steady money, not to mention customers—and some of the more well-known ones like the Moonlite Bunny Ranch in Carson City, Nevada are doing record numbers. Anyways, there's lots more differences, of course. Dancing requires a lot more physical work, the porn is rougher on you sexually, in that you are getting fucked super-hard often—and the brothel time—while totally legal of course—is still looked down upon by some idiots in our society. But, that's the round up of info, Phil. I hope that fills in the cracks. No pun intended! Heehee!*

Loves *SWANK*—Wants In!

This may sound like a strange request, Mary, but nothing ventured, nothing gained. I have been a faithful reader of ***SWANK*** for decades now—decades—and I feel like ***SWANK*** is my family. I feel like I am friends with all the writers, photographers, editors and models, because I see their names every month and read all about them. So, what I would like to do is be part of ***SWANK*** myself, more than just reading. Is there a way I can be in ***SWANK*** as well? Can I contribute in some way? Or just put my picture in there once as a faithful reader? It would be the highlight of my life, and to be honest, I think I deserve it. What do you say, Mary? What do you say? Please! **Augie C., Plantation, Florida**

MARY: *Funny you should ask, Augie! Right now, on the* ***SWANK*** *editorial drawing board, we are planning some very exciting reader-involvement activities, contests, and events that should do the trick for you! In fact, the publishers and editors of* ***SWANK*** *have been seriously looking at different and innovative ways to bring our readers "closer to the action," so-to-speak. I can't say anything right now, but all I can tell you is to sit tight, watch, and wait, and in an upcoming edition of* ***SWANK*** *shortly, you are going to be very, very surprised—and, of course, pleased!*

Our main sexual tinglings in our cunt areas are in our clit

Hungry?

Eat pussy! I eat cunt! I eat the pussy! I eat the cunt I want to lick it, suck it, swallow it! I eat the cunt! **Peter G., Tulsa, Oklahoma**

MARY: *I think I get your drift, Pete.*

Top All-Twat Mary Movies?

I enjoy all of your porn movies, Mary, and have a lot of them in my collection. I know though that the vast majority of your hardcore scenes have been girl/girl action. Can you recommend what would be your top five picks for those of us that want to see you at your best—having sex with other women on film? **Kal V., Billings, Montana**

MARY: *I'd love to, Kal! Almost as much as I loved making them! Yes, in my carnal career, for a variety of reasons, most of my sex scenes have been lesbo ones. I am very, very bisexual, so it's all good. It's true, I've made nearly 100 XXX'ers so far, so there are a lot to choose from. Some of my faves? Here it goes!* Big Breasted Beauties, Boobsville Sorority Girls, Eager Beavers, Lesbian Big Boob Bangeroo 2, *and* Raw Sex. *How's that? Now, there are dozens and dozens more, and it's difficult for me to really separate them out because when I am with a girl, and we are licking each other's tits, eating each other's cunts, sticking our fingers in bung-holes, and deep throat kissing—I love it all! So, if any of you Mary-movie-watchers out there have your own list of my top-all-twat fuck flicks you'd like to offer up, send them in! Maybe we'll add them all up, and see which ones you dig the best.*

"As sweet as...Kandi!"

The year I turned 18, I was a senior in high school. I thought back then that I was going to join the Air Force. I also thought I was going to marry my high school sweetheart, and have kids one day. During that time, I wanted the simplest life you could think of. I never in my wildest dreams thought I would end up becoming a porn star—and then a working girl—for the Love Ranch brothel in Northern Nevada. But, I have to be honest, my life has never gone the way I planned for it to go, and I couldn't be happier. Keep reading, and you'll understand what I mean.

So, there I was, a high school graduate wondering what am I going to with myself. My plans to join the Air Force? Well, I guess you could say they crashed and burned. I took the Air Force admission tests three times, but I never passed. After the third attempt, I remember the recruiter telling me, "Some things just aren't meant to be."

"Okay," I thought. "So no Air Force. Now what?" "Well," I pondered again. "There's always college, right?" So at 19, I started Rock Valley Community College in my hometown, also known as Rock Bottom. I started taking the usual general education courses: English, sociology, math, math and more math. I took some of the same classes over, and over, and over. When I would fail math class, my instructors told me to retake it. Most of my fans don't know this, but I have a learning disability in math, so let's just say, I spent a few years in college. I can honestly tell you they were some of the hardest years of my life.

So, you're probably wondering: "What happened to my high school sweetheart? Where does porn come in?" Okay, my ex and I almost got married, but he was in the Navy at the time. We were planning to elope, and perhaps you're wondering what stopped us? Well, the only thing that could was the Navy. He was stationed on an aircraft carrier heading to the Gulf. His six-month tour turned into over a year, so, moving ahead with my life, I got a job working as a security guard in a factory while still in school studying Criminal Justice now—again math and over and over again! During my brief (I ended up getting fired)—and dangerous work as a factory security guard, I met my friend, Bones, whom I had no idea was about to change my life. Bones took me to my first tittie bar (well kind of). He was also the first older man I had sex with. I think he was 40, and I was 22.

Bones said to me, "Since you got fired from being a rent-a-cop, why don't you try dancing? All you will need is a name, an outfit, and a place to dance." So, where did I go? To a place called Isabella Queen, which had an amateur night competition. We called the club and asked for the Manager—a guy named Crotch. I swear, he looked like the guy from the Mr. Clean bottle. Crotch told me that "Amateur Night" is Wednesday night, and the prize is 100 dollars in cash. Bones told me get a schoolgirl outfit because I look young, and the money would be flowing if I kept up that "innocent look."

"That can be your thing. Guys love the schoolgirl look," Bones said. So, there I was, walking through the mall asking myself what my dance name should be. "What goes well with a schoolgirl look?" I whispered. "How about Candy?" I didn't know that day, but the name Candy—or how I now spell it now—Kandi—was going to play a huge role in my life.

So, when Wednesday night arrived, I headed out to Isabella Queen by myself. Bones blew me off to get laid with some other girl, so I called my aunt and told her I was going alone to the tittie bar for "Amateur Night" and if she wanted to meet me there. My aunt said, "Yeah, I don't want you in that place by yourself. What time should I be there?" I told her that it started at nine o'clock, if there are enough girls. The only contestant besides me was an older lady—no one else showed up. I was in the dressing room changing, when one of the dancers looked at me and said, "How old are you?" When I answered, "22," she said, "Wow, you are going to make a lot of money!" At that point, my cell phone rang, and it was Bones. I told him what the dancer said, and he went, "Go nude on stage and you will make even more money!" I went over to the DJ booth, and I had no idea what to shake my stuff to when he asked me what I wanted. "Well since you're in a schoolgirl outfit, and you look like a doll, I'm playing 'Barbie Girl'." I will never forget that song, and how nervous I was the first time I got on that pole. The club played it for me every night after that for months, so, needless to say, I won the amateur contest. I got the 100-dollar cash prize and made an additional 50 dollars while dancing. And, yes, I went totally nude. It was a major deal in the strip club at the time because the club was becoming a "Nude optional" club, and was not a full nude club yet. It's safe to say that I pissed off all of the girls who would only go topless.

Crotch hired me on the spot, and I worked with him for a few months until the club underwent new management. After the club renovation, I decided to move up in the wanton world, and go to Las Vegas to dance there. Little did I know my trip to Las Vegas was going

to change my life for good once again. New to dancing, I wanted to find the club with the most people and customers. I got hired at a joint called Jaguars. I worked there a week, and I was about to leave town, when one of the house moms asked me to stay one more week in Vegas for their grand opening. The club was turning into another one called Scores, which is famous on the East Coast. I decided to stay and see what this grand opening was all about. The night of the opening, I was walking around, minding my own business, when a woman with jet black hair, a red dress, and big boobs, comes over and kisses me on the neck. We began speaking, and she then blurted out, "You are like a little fairy princess!" Little did I know that the woman who just kissed me was a porn star. You may have heard of her—Angelica Sin.

"Have you ever thought about doing porn?" Angelica said. "You would be great for the *Barely Legal* genre of XXX." I jotted down her information, where we kept in deep contact. Finally, Ms. Sin brought me to Los Angeles—where most of the filming takes place—helped me pick the name Kandi Hart, set me up with some film production companies, and I am proud to say that I have never looked back. I have been doing porn and dancing for many years now, and I've had a lot of success in my adult entertainment career. After a few years of being in the adult business, I started getting requests from fans to escort and see clients for private sexual encounters. So, instead of doing it the illegal way, I went to work at the Moonlight Bunny Ranch legal brothel in Carson City, Nevada. Just the thought of going to work for the Bunny Ranch was exciting, and I couldn't wait to try it out. Getting hired The Ranch wasn't really an issue because at that time, porn actor, and good friend, Ron Jeremy and I were going on quite a few double dates with Bunny Ranch owner, Dennis Hof, and his girlfriend at the time. One of my most memorable sexual parties at the Bunny Ranch was a threesome in the VIP room where we all wore schoolgirl outfits. One of my favorite parties is to give a client the schoolgirl fantasy. So, if that's what you like, I can definitely make your dreams come true. I recently moved my schoolgirl services over to the Love Ranch brothel—also owned by Dennis—and located just across the street in Carson City. I had actually taken a long time off from the Bunny Ranch when I got a call from an old friend in the porn business that was managing the Love Ranch and he invited me up. So, I stayed six weeks last summer, and make trips now and then at the Love Ranch when I can work in a number of appointments with clients during the same time period I'm at the Bunny Ranch.

I always have a great time at The Love Ranch, and I can't wait until my next trip back. You can see more pictures and information about me at: *www.LoveRanch.net*, and you can contact me for an appointment directly through my personal and private email address which is: *kandihart@loveranchxxx.com.* My fans can also find me on my official personal website *www.kandihart.com* which is due to launch later in 2011. So, come on out to the Love Ranch, and I promise to make you cum as well in my little schoolgirl Outfit.

I've always said that, "Having sex with Lee Caroll was like climbing into a washing machine..."

"Crazy Lee"

My relationship with the legendary strip club dancer—cum adult film and video performer—began way back in the fall of 1979. A strident, drill sergeant voice blared through the speaker phone in the Hollywood offices of "Reb" Sunset International, "My name is Lee Caroll, and I was told that you could help me get into X-rated films," she shouted, making me feel nervous in the process. "We need to meet," I responded. However, before I could give her the office address, she eliminated any options about how that meeting would be taking place by giving me her address in Reseda—a northwest suburb of Los Angeles in the San Fernando Valley. "I'll be waiting," she said, and with that, the far-from-serene-sounding lady hung up.

Since it was a Friday, when, for the purposes of placating any Administrative Vice officers who might show up to see if I was there instead of possibly being out making an X-rated film (which was an illegal activity)—I usually stayed in my office until at least six p.m.

On a side note, the primary reason for not making movies on Fridays was that if one were busted, one would be trapped in jail all weekend, since you weren't going to be able to see a judge (for a charges and bail hearing) until Monday morning. And since I played the long snapping center on flag football teams in both Saturday and Sunday leagues—I knew that I would letting my fellow players down if I failed to show up.

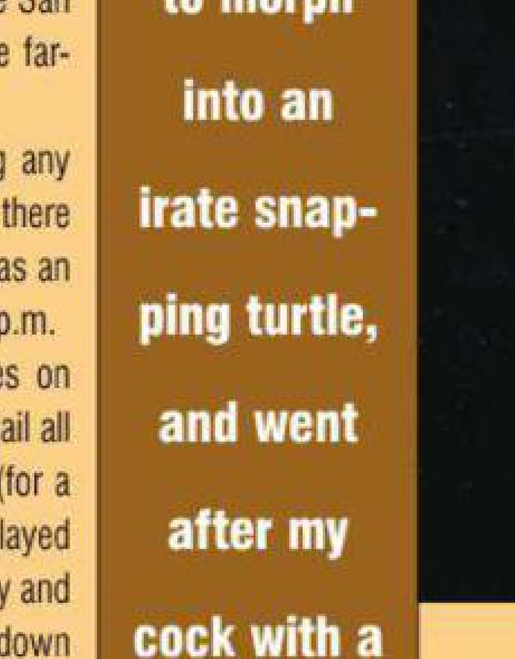
However, it was nearing four p.m., and I knew if I didn't leave for the Valley soon, that I would get caught up in the serpentine slowness of a traffic jam.

And, although somewhat put off by the wrath of Lee's tone—I must admit to being curious as to just what (or whom) exactly I was going to be meeting.

It was one of those deathly hot, very still air September afternoons in Southern California, and as I drove deeper and deeper into the smog-shrouded Valley, in my non-air-conditioned VW van. The blast, furnacelike air, was blowing in on me through my open windows, which was making things even more unbearable.

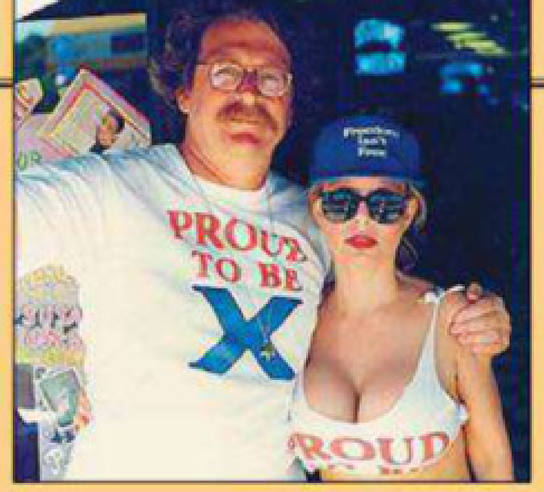
By the time I reached Lee's house, I was sweating, in need of relieving myself, and tremendously thirsty. She opened the door before I had a chance to knock on it. She was wearing a very short, pink cotton robe. From what I could see of her glistening arms and legs, she appeared to be solidly built. I couldn't help but notice that enormous breasts were pressing urgently against the material of her skimpy attire. In fact, at first glance, she reminded of the lady bodybuilders that paraded the sands of Muscle Beach in Santa Monica where I had spent a few of my early years. Therefore, in a dynamic, ultra-blonde way, she was stunningly attractive.

She seemed to morph into an irate snapping turtle, and went after my cock with a lethal passion...



"I was swimming when I heard you pull up," Lee said, "And I am about to go back into the pool," she continued, "So why don't you go piss, get some water, and join me." She then shucked off her robe and headed toward the pool. Her compact body rippled with each step. I saw enough of her breasts to realize that she hadn't been born with them. Also, there was enough fur between her thighs to suggest that somewhere in the neighborhood a bald Persian cat might be lurking. And

E were the LAYS



By William Margold

although I have never been an ass man, her twin cheeks were truly hypnotic as she walked away from me. Sensing that I hadn't moved, she looked back at me as she pranced and fixated me with a look that was less of grin than it was of a leer. "Don't worry, I didn't expect you to bring a pair of swimming trucks." With that said, she entered her pool and I went off to her bathroom. Relieving myself not once, but twice—I tried to remain in the cool and collected capacity of something approximating—a talent agent representing Sunset International—even though I still needed a glass of water. So, I stripped down to my very snug, white underpants and walked out to the pool. Lee let out of the laugh that caused the earth beneath me to shake a little. "Come on, man, I've been looking at dicks for the last decade, and I'm sure that you don't have anything that I haven't seen before,"

Taking my primary part in my right hand, I tempted fate and proceeded to shove it deep into her...

she stated, with such a state of preparedness, that I—as I tried to casually strip down—figured that she must have had a performing background, where talking guys into pulling out their dicks and jacking off was the (dis)order of her day.

Coming up for air, and surprised that my glasses had remained on, I discovered that Lee had climbed out of the pool and was now sitting boldly—making absolutely no attempt to cover anything up, or to close her legs—on edge of the deck. "So, do you think that I have what it takes to be the movies?" she said. Being eye level with her splayed vagina, which appeared to be winking me, I couldn't help but say, "Yes."

For the next half-hour or so, Lee asked me questions (rate of pay, what was expected of her, how much work was available, etc.) and I answered them as best as possible while treading water. It was agreed that I would become her agent, making sure that she attended the important events, as I would introduce her to various filmmakers. Beyond that, I sensed that she would get exactly what she wanted by flaunting her brazen sexuality.

I also sensed that she was expecting me to make some kind of move on her. But frankly, her overt display was not arousing me. However, apparently, it was because when I finally did climb out of the very comfortably heated pool, the length and semi-rigidity of my cock belied my mental state of disinterest.

Eyeing what I am sure she believed was the end result of her matter-of–fact state of total nudity, Lee queried, "Are you planning to use that later this evening?"

Entranced as to where this was leading, I quickly responded, "No."

"Well then, since it would be cruel to leave you frustrated, you are welcome to jack off," Lee said, with words that were laced with the distinct hint of a dare. That was enough for me. Utilizing my strong left-handed pull technique to work myself longer and then up and out as far away from my pelvis as the weight of my cock and very heavy balls would allow, I gave Lee an immediate show of appreciation in the form of a formidable erection. "You can squeeze your nuts, 'cause that will make more come out," Lee said, essentially doubling, with a hint of malevolence, her dare in the process. And so my right hand began to urge my balls to erupt. I felt the insides of my thighs tighten and I rose up on my toes. Then, within a few

seconds—during which I thought about trying to prolong the pleasure of my inevitable release—volleys of semen began to jettison forth. The sound of them splattering lewdly on the pool deck snapped my mind back to the reality of the moment in, and at hand.

"You can do it again if you can do it again," exclaimed Lee, whose intonations now seemed to be those of a slightly pleased lady. And I didn't have to be asked (or challenged) twice. Using the remnants of my first explosion to lube my staff up…I think truly amazed Lee as I began shooting off another healthy load in less than three minutes.

Thankfully, she didn't request a three-peat.

On my way out, on admittedly wobbly legs, Lee expressed her pleasure in meeting me, adding, "I hope that you had a good time."

During the first couple of years of Lee's adult film-making career—through my connections and her own tireless efforts—she appeared in such highly regarded X-rated films as: *Amanda By Night*, *Skin Tight*, *Sexcapades*, and *The Satisfiers of Alpha Blue*, and *Urban Cowgirls*.

I watched quite a number of her scenes, and I admired her sexual prowess, although at times, I wondered if her going out of control was just acting.

I was immensely proud of her, and she repaid my pride by helping me whenever I asked to volunteer her fundraising services at adult industry conventions and events, including being part of a float entitled "Proud To Be X."

Then came the fateful day in 1983, when we wound up in a movie called *Sexcalibur*, and were scheduled to do a sex scene.

This was going to be the first time that I was going to touch (and much more) what I had seen so vividly displayed back in September 1979. Now, I was being tossed into the pit with an animal whose reputation was that of tearing men apart. Thinking back now, I am not even quite sure what our roles were, but no sooner was "action" called, Lee became crazed, and I knew that I was in way over my head. Thrashing about wildly, Lee began to spout a litany of sexual orders—in such a profane manner—that I longed for a second pair of hands to cover my ears with.

I have been in jail (a few times) where swearing is commonplace. I have played in some pretty heated football games where name-calling comes with the hard earned yardage. And I have been involved with drunks whose dialogue (when coherent) consisted of a steam of vulgarity that would make Henry Miller blush. But, what burst forth from Lee was so hilariously obscene that printing too much of it might cause permanent damage to our readers.

(However after enduring it…I quickly bestowed the nickname of "Crazy Lee" upon her, in honor of the character that Bo Hopkins portrayed in my all-time favorite mainstream film: Sam Peckinpah's 1969 western wonderment, *The Wild Bunch*.)

Immediately paying requisite attention to her enormous (in proportion to her height) breasts, I then ventured further down to her aforementioned luxuriantly coiffed naughty nest. However, as I proceeded to consume her, I was not only battered from both sides by her muscular thighs—I felt my tongue being attacked by the

I watched quite a number of her scenes, and I admired her sexual prowess...

walls of her vagina. Pulling back slightly, I peered into her massive bush and swore that something was in there peering back! I shuddered with dread. Taking the primary part of my carnal career in my right hand, I tempted fate and proceeded to shove it deep into her. Meanwhile, to keep her mind occupied elsewhere, I placed my left hand between her sculpted asscheeks, found her asshole pouting, and shoved my middle finger into it. Double-pronged now, Lee yowled like a banshee, and began to pummel me. I figured that this must be what a rodeo competitor went through when he climbed to a Brahma bull. And I had to last longer than eight seconds. "Motherfucker," Lee snarled, "Once I get you in my mouth, I'm going to suck your balls up through your pee-hole and then spit them back in your face."

A fine sheen of sweat covered both of our bodies. I had removed my finger from her asshole in the fear of losing it. And quite frankly, the deeper I pounded into her, the more afraid I was for the life expectancy of my cock. Finally, the cameraman announced it was time for me to pull out and pop in Lee's face. Thankfully, that meant that she wouldn't have the chance to "suck my balls out of my pee-hole." While she seemed to morph into an irate snapping turtle, and went after my cock with a lethal passion, I kept it just out of her reach, and quickly began to coat her face with my heat. I made sure to aim at her eyes first, so she wouldn't be able to see what she was snapping at. Yet, that didn't stop her from using her hands to beat my balls like a punching bag, and from spitting almost every blast of mine right back at me. Indeed, it was a duel of demented decadence that I will never forget, and, in fact, shiver when I remember it.

And "remembering it" is what makes up the bare balling bonanza that is "Those Were The Lays."

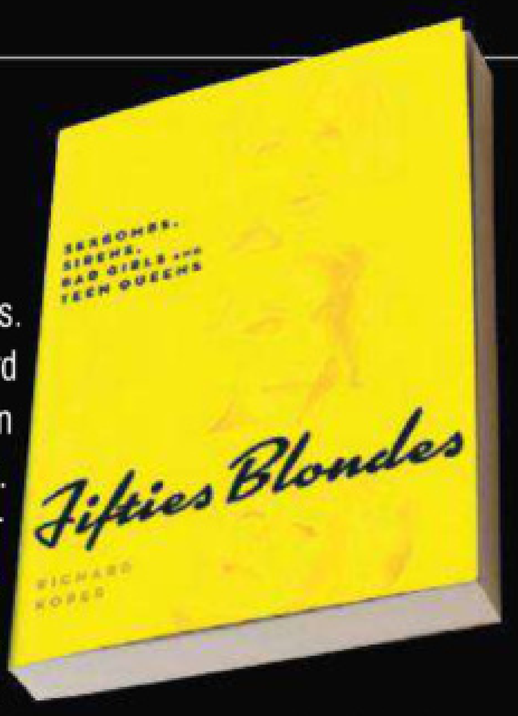
SWANK STUFF

Reviews & previews
by Neil Wexler

A lot of cool **STUFF** comes through our offices every month and we feel it's our duty to let you in on some this hip swagg. Whether it's the hottest new sex toy to hit the shelves, the coolest book to hit the stands or the wackiest product to be invented, you'll find your first look at it here!

MEET THE IMMORTAL BLONDES OF FIFTIES SHOW BIZ!



You don't know blondes unless you've experienced the blondes of the 1950s. That was the great decade of the blonde in entertainment, and author, Richard Koper, has assembled a fine collection of photos and brief biographies of these sun kissed beauties in his new book, *Fifties Blondes*, published by Bear Manor Media.

Drawing on his personal picture collection and his longtime enthusiasm for these women, he takes us beyond Marilyn Monroe into the more obscure realms of beauties like: Cleo Moore, Barbara Nichols, Joi Lansing, Diana Dors, Gloria Pall, Irish McCalla, Sabrina, Jeanne Carmen, Judy Bamber, Belinda Lee, Martha Hyer—just for starters! Mostly known only to classic film buffs today, these ladies were very popular in their era, appearing in movies, television and even theater—ranging from grade A to grade Z—making a lasting impression on the minds and libidos of their many fans.

Koper captures their allure in 396 pages filled with black-and-white photos of these gorgeous dames in everything from tight skirts—to baby doll nighties—to lethally sexy one-piece swimsuits (which are happily starting to make a comeback in the 21st century). Now, ye ole **STUFF** reviewer is something of an informal expert on forgotten, but worthwhile movies, and one thing I enjoyed about the book is how I learned about films starring these women, that I've never heard of before, but will now have to track down on DVD or even VHS. For example, 1956's, *Everything But The Truth* featuring a beauty named Roxanne Arlen, who, in Koper's words: "Demonstrates an old man pacifier trick with a doorknob to Maureen O'Hara." I don't know what the hell that means, but I have to watch out for that movie! It truly sounds hot—not in a porno way—but just tastefully sexy. (Certainly, Maureen O'Hara, even though she can't qualify for this book because of her famous red hair, was pretty hot herself!) Koper also calls attention to a 1958 epic, *Machete,* starring the late bombshell, Mari Blanchard, who portrayed "The cheating discontented wife of sugar plantation owner, Albert Dekker." This is yet another title I never heard of, but '50s movies featuring cheating, discontented wives, always seem to make for great entertainment. Since I recently enjoyed watching Mari do an exotic dance in 1953's *The Veils of Bagdad*—I know *Machete* will be another must-see. Thanks for the info, Mr. Koper!

As I read the book, I also got a clear sense of how fragile the careers of so many of these actresses were, burning brightly for a while, and then quickly flickering out. However, that doesn't mean that these ladies didn't leave lasting impressions! How lucky they were to have had as many chances as they did in the brutally competitive world of television and moviemaking. In other words, if an actress got five good years back in the '50s, rather than being perceived as a has-been today, Koper helps us understand that, in actuality, we should perceive her as a success. The brevity of fame or accomplishment of some of these lesser names doesn't mean their beauty—or their movies—have no permanent value! By guiding us back to their achievements and their allure, he asserts their worth for posterity.

So, if you want to see terrific photos of delectable dolls, and learn about their must-see flicks that have sunk below the radar in our fast-moving age of special effects and too few blondes—check out Koper's, *Fifties Blondes*. Go to *www.bearmanormedia.com,* or if you're without a computer, call: 580-252-3547 for postal order info. Tell 'em, ***SWANK*** sent you!

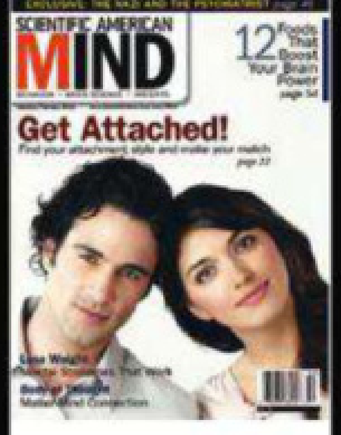
Dr. Laura Berman Intimate Basics

Gentlemen, you can apply the principles of suspense to your sex life when you get one of the hottest new items from California Exotic Novelties: The Dr. Laura Berman® Intimate Basics™-Ishtar™ 5-Function Remote Control Bullet. Your lady can wear the soft and comfortable lavender thermoplastic Velvet-Cote bullet in her private regions while you master the controls as far as 23 feet away. The easily operated handset offers five variations of gradually increasing vibration and pulsation. Keep her in "suspense," my friends, as she wonders when you'll flip the EZ switch to start the process of getting her all stirred up without even putting a finger on her silky flesh! Get her stimulated, then bring her down; work her up again, then modulate her arousal to a fever pitch that will have her begging you to flip the switch all the way, so she'll finally be able to explode in a well-needed climax! Her kitty will be like a puppet at your command! This amazing vibration device comes complete with batteries, along with a wrist-strap for the handset, and naturally—a retrieval cord for the bullet. Go to the "New Items" section at *www.calexotics.com* for more information on the specifics of this techno-genital wonder!

INVESTIGATING RELATIONSHIPS AND NAZIS

Have you ever wondered why a relationship didn't work out? In an article titled, "Get Attached" in a recent issue of *Scientific American Mind*, authors, Amir Levine and Rachel S.F. Heller, explain that people have three different styles of involvement with romantic partners: Secure, anxious, and avoidant. The article illuminates, for example, what happens when an anxious person, who worries about the durability of relationships, gets involved with an avoidant person, who has difficulty getting close to others. The point of the article is that the struggle could have been sidestepped if prior to the split, the people understood their relationship styles earlier on, and had been able to look underneath the distracting outward surfaces of their partners to communicate and understand what both of them really needed. You can read more about this online, and even take a quiz on the attachment styles of you and your own partner at: *www.ScientificAmerican.com/mind/jan2011/quiz*.

The same issue of *Scientific American Mind* (January 2011) also had a fascinating article entitled, "The Nazi and the Psychiatrist" by Jack El-Hai, that told the story of the shrink who, in 1945, evaluated the sanity of Hermann Goering as the Nazi strongman prepared for his Nuremberg war crimes trial. We observe the tricky relationship between the man who helped to murder millions, and the American doctor who had to gain his trust while still doing his part to bring Goering to justice. The doctor's struggle to maintain his perspective is relevant today to the difficulties psychiatrists have in evaluating modern prisoners in places like Guantanamo Bay or Abu Ghraib. I hadn't read *Scientific American Mind* before, but I think I'll be checking it out regularly to gain more insights into some of the questions life in our crazy century throws at us.



The story of the shrink who evaluated the sanity of Hermann Goering

THE ETERNAL LEGEND OF SPARTACUS

As an admirer of the 1960 Kirk Douglas blockbuster, *Spartacus*, I was skeptical about watching the Starz original miniseries, *Spartacus: Blood and Sand* when it came out on DVD. I hadn't liked the recent sword and sandal films *Gladiator* or *300* very much, both of which I found overblown and too stylized to be juicy and engaging in the manner of the entertaining 1960s toga flicks I grew up viewing. However, the history of gladiators, and particularly that of Spartacus—intrigues me, so I rented the first disc of *Spartacus: Blood and Sand*, comprised of four episodes.

The story of Spartacus before he led a slave revolt against Rome isn't known in much reliable detail, but the series depicts him accurately as a Thracian warrior who fights for the Romans against their common enemies, but then, because of differences over strategy, turns against Rome and ends up as a slave gladiator. The Spartacus of the miniseries is devoted to Sura—the beautiful wife he left behind, who is sold into slavery herself as another way for the Romans to punish her husband. Steamy romantic sex scenes depict their passion just about as explicitly as television can without becoming hardcore. Erin Cummings—portraying Sura—is quite beautiful (although her acting is a little too solemn), and when the evil Romans carry her nude body, it's a violently dramatic moment right out of a classic painting. The miniseries is often very beautiful to look at, with its images calling to mind the work of various artists who specialized in everything from landscapes to mythology.

As he did in real life, Spartacus ends up at a *ludus*, or gladiatorial school, where his fellow "students" taunt him about everything from his ethnic background to his masculinity. The language is a bizarre mix of ancient-style highfalutin dialogue interlaced with more "cunts" "shits" and "fucks" than you'd probably hear on a street corner in modern day Brooklyn. Some of the acting is a little over the top, and sometimes the gladiators come across as ridiculous instead of menacing. Yet, as the episodes progress, the tone somewhat relaxes and historical figures like the *ludus* owner, Batiatus, and the Gaulish gladiator, Crixus, become more valid characters.

Over the course of four episodes, your **STUFF** reviewer got into the story. The depictions of the arena and *ludus* are probably more accurate than those in the 1960 *Spartacus*; however the gore and violence are so comic-bookish and exaggerated that the realism is undercut. Yes, conditions were probably as grim as shown, but when somebody's head is smashed with an axe, he generally doesn't get up and fight again for a while—if ever—yet it is but common among the gladiators in the miniseries. Be prepared for both a documentary approach to history, and a modern-day absurdity in the treatment of violence. If you can accept that uncomfortable mix, you'll find, as I did, that Andy Whitfield's depiction of Spartacus grows on you as he shows a decent and principled man trying to keep his humanity as he's forced in the name of his survival to become a beast in some of the vilest cesspools of human behavior. We see crowds clamoring for blood, as well as sleazy, decadent Romans watching gladiators screw slave girls in public sex shows, or the same ladies masturbating and sucking their married masters and mistresses to prepare them for conjugal sex. *Spartacus: Blood and Sand* is artistically shot, unevenly acted, historically a mixed bag, full of lusty sex and insane violence—and I think I'll watch the whole series!

ADD MYSTERY TO YOUR DESK!

Are you looking to add a strange, yet comforting touch, to a shelf or desk? Get a pack of The Desktop Heads of Easter Island, available at stores like Borders or online at *amazon.com*. They are approximately two-inch replicas of the *moai*, gigantic statues on the Polynesian island of Rapa Nui—2300 miles to the east of Chile. According to the informative little booklet that comes with the four miniature *moai* by Craig Herman, Rapa Nui was discovered by a Dutch admiral in 1722, whom named the place "Easter Island" because he landed there on that day. He found enormous stone heads on the coastline, and in some cases full statues, which averaged in height at about 14 feet, but could be as tall as 33 or even 65. It was learned that they were mostly quarried from volcanic ash and then placed on stone platforms called *ahu*. The story, dates of their origins, and how they were transported across the island—are still shrouded in mystery. Their creators felt the heads were repositories of spiritual power known as *mana*, and I can well believe that myself when I look even at these small-sized replicas as they gaze quietly at my laptop. So, when I get down to writing my monthly ***SWANK*** bit for you guys, well, it can be pure XXX joy, let me tell you! So, before I get distracted with some other ***SWANK***-task over here at the office, let's do it!

"Hair Today—Gone Tomorrow!"

Text by Ron Jeremy. Photos Courtesy of www.WhiteGhetto.com

I miss the piles of pubic hair from the golden days of porn!

It hit me like a ton of bricks out of the blue, when by chance I sat down to watch a recent X-vid called *Real Bushy Beavers #9* (There are more than a dozen editions of this title out now and counting) put out by a porno-producing company called White Ghetto Films (*www.WhiteGhetto.com*). I get about a zillion porn tapes a month sent to me, and I barely get a chance to look at any of them, to be honest. So, when I just reached blindly into the pile next to my desk—and tossed this one DVD into the machine for the hell of it without even looking at the title first—it must have been fate!

What do I really miss about the golden days of porn? I miss the golden piles of pubic hair that came with it! That's right! Hair today—gone tomorrow! I love pubic hair, and

Since I have been in the porn game so many decades, people often ask me: "Ron, what is the big difference between then and now, and what do you miss most about the good ol' days, versus these days in X-ville?" And that's one hell of a question for sure! So much has changed in porn since the '70s going all the way up to today! Where would one start? Back then, there was not only no Internet, there was also no VHS, let alone DVD's! Everything hardcore was shot on film and featured in real-deal movie theaters! At those times, porn performers were treated like true movie stars, driven around in limos and paid incredible amounts of money to fuck on camera! During those times, it wasn't even established that doing porn was really legal, and we are all getting arrested all the time and tossed in jail! It was a wild time to do pornos, and virtually everything was different in those days—everything! So, what was the one thing that I missed the most that struck me the most about X these days, as opposed to the 'olden days? Hmmmmm…

Storemags.com

here was a current vid showcasing chicks with hairy pussies getting fucked! How funny, because back in the day, no chicks in porn shaved their pubes—none! Everyone had their full bushes—men and women! That was the norm! There was nothing special or good or bad about it, that's just the way it was! Then, over the years, everyone started shaving down—either completely or with little those landing strip things that the girls have! Yup! We ate pussy hair, they sucked up our cock hair, and we fucked hairy-mound to hairy-mound, no problem—everyone let their genital hair hang out, not to mention grow out—and no one cared. No one said a word because no one knew any different. That was the "style" back then!

I love pubic hair, and here was a current vid showcasing hairy pussies getting fucked!

So, what happens? Like all things that change over time, long hair to short hair—bell-bottoms to straight leg—white bread to whole wheat—whatever—everyone started to shave their hair off—even me! However, I never was a big fan of the shaved look or feel! I mean, I got used to it fast enough, because no one lets their pubes grow out anymore–but I sure do miss the "all natural" days. I just think, especially on the girls, it gives them a real girl next door look, as opposed to a XXX starlet appearance. I mean hell, it's all good. Yet, if you want to know something I miss from decades ago in porn, it's the pubic hair.

So, today, hardcore sex tapes featuring girls with their bushes grown out make up a niche market—a fetish—a very particular segment of the XXX arena. That's right, If you want to see hairy twats on-camera, you have to seek them out. That's where a great outfit like White Ghetto comes in. Based in Los Angeles, this company does a lot of really way-out there XXX stuff, I mean like, wow! Some of their more popular titles and lines? *50 Man Grandma Slam*, *Ass Eating Maniacs*, and how about: *Your Mom Sucks Black Cock*. That's just a few of them. Check out: www.WhiteGhetto.com for a whole lot more of them, and you will see what I mean!

Anyway, back to the movies! *Real Bushy Beavers # 9* is part of a small hardcore porn market-share for guys that still want to see the hair, all the hair, and nothing but the hair—like me! In a way, it's no big deal, about 100 minutes of four porn girls—Paris Hershey, Serena Marcus, Sonia Blaze, and Marley Mason being shot by director, Mario Cassini, getting laid, with tons of pubes. Like I said, years ago, all X-movies were shot this way! Today? Girls have be paid extra to let their pubes grow for weeks and months before they are shot hairy! What a trip! However, the minute I saw all that hair—man, I was there! Back in the '70s—in pubic hair heaven! Ah, those were the days!

But, let's give credit where credit is due. I want to thank White Ghetto Films for bringing me back to the days of pubic hair! You have to hand it to them, they take their pubes seriously over there! Their motto? "This is the real deal. No fake fur, only one hundred percent thick wool. Cum and get it while it's wet. Luscious, thick hair pie is a dish best served hot!" Yeah, they don't mince words at White Ghetto! And that's not their only hair-centro title, either. Check out their online catalogue for others like: *Hairy Berries*, *Love Them Big Boobs and Hairy Pie*, *Hairy Solos*, *ATK Natural and Hairy Really Red*, and *My Hairy Cream Pie*. Quite a lineup for hair-lovers, huh? So, that will complete my stroll down hair lane this month around. For you older porn fans, it should bring back some memories, for you newer Perverts—that's the way it was, way back when! Ron Jeremy signing out; see you next month in ***SWANK!!!***

We ate pussy hair, they sucked up our cock hair, and we fucked...

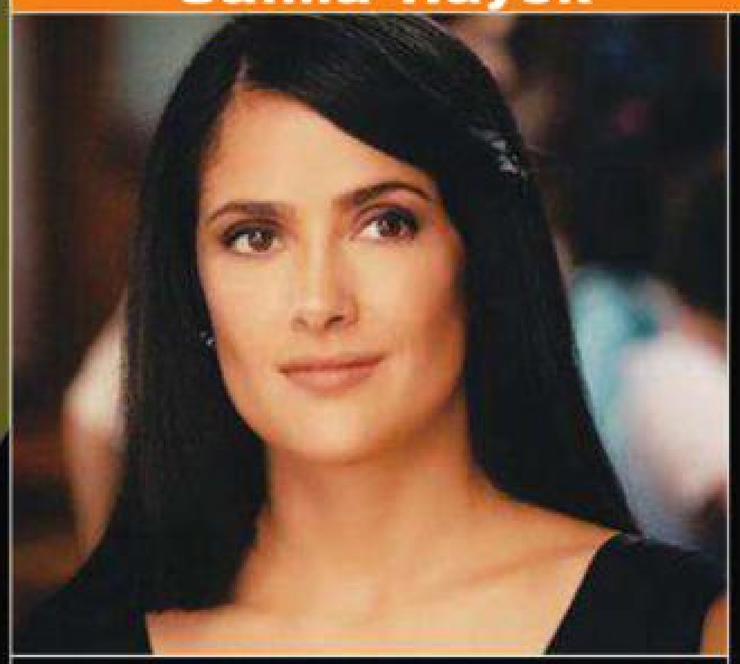
Salma Hayek



This ageless goddess holds the distinction of being the first and only Mexican screen star to score an Academy Award nomination for "Best Actress" in 2002 for her role as troubled painter, Frida Kahlo in *Frida*, a film that she also co-produced. Her career began as a television performer in her homeland before she made the move to L.A. in 1991. She got her first big break in 1995 when director, Robert Rodriguez, cast her in the staring role of his breakout flick, *Desperado*.

Salma soon found herself landing significant parts in a wide variety of projects including *Fools Rush In* (1997), *Wild Wild West* (1999) and *Traffic* (2000) Salma's career remains relevant today due to roles in 21st Century hits such as *Bandidas* (2006), *Lonely Hearts* (2007) and *Grown Ups* (2010).

Ask The Dusk

Ask The Dusk (2006) features a buck-naked Salma, skinny-dipping in the moonlight

If you're reading this, and saying to yourself, "That's all well and good, but where do I go to spank out a load to her tanned and curvy, naked body," I advise you to read on.

Frida not only offers some nice close-ups of Salma's flesh sacks, but you get to see this Mexican hottie slap tacos in a scolding lesbian romp. *Desperado* features a boy/girl fuck scene that shows off her massive sweater meat when she gets plowed in the cowgirl position. My stroking preference when it comes to this Mexican minx lies with *Ask The Dusk* (2006). This flick features a buck-naked Salma, skinny-dipping in the moonlight with plenty of attention from the camera being paid to her tits and ass. Also, if you can hit your freeze frame just right, you just might be able to steal a peak at her dripping wet snatch!

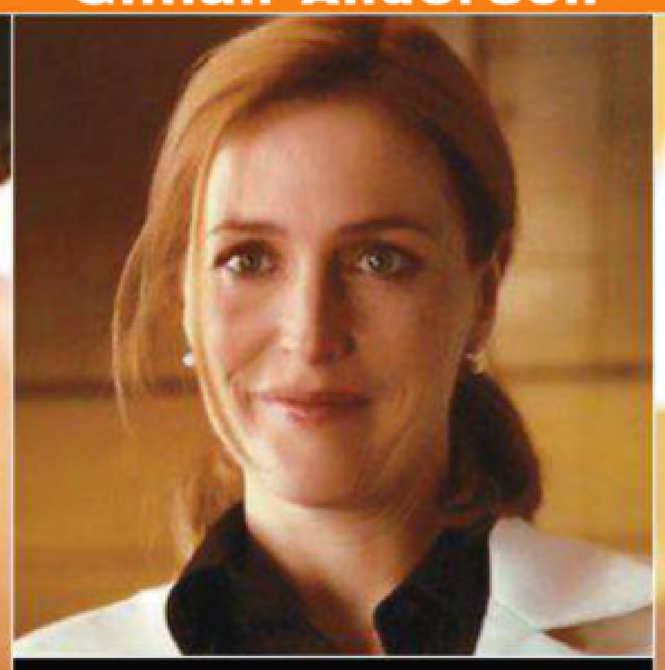
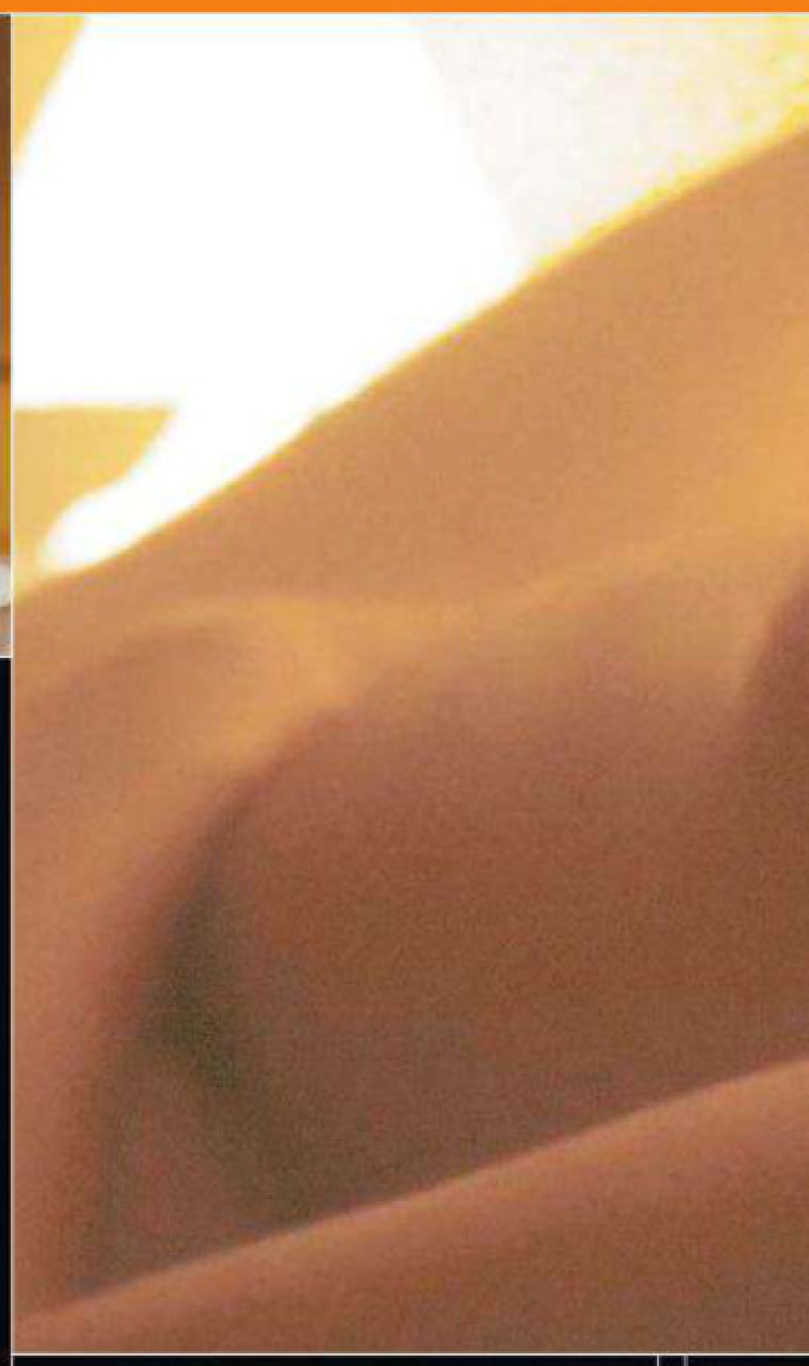
Gillian Anderson

The Turning





No matter what Gillian Anderson does with the rest of her career, she will always most be remembered as Special Agent Dana Scully from the paranormal television and movie franchise, The "X–Files." Her work on the landmark Fox Network drama earned her an Emmy, Golden Globe and Screen Actors Guild Award, not to mention worldwide notoriety.

Along with starring in the two *X–Files* big screen projects, the Chicago native's movie credits include *The House Of Mirth* (2000), *Straightheads* (2007) and the highly acclaimed, *The Last King Of Scotland* (2006).

During the peak of the "X-Files" television run, Gillian had achieved sex symbol status. So, when a nude scene surfaced from the woman who was voted "The Sexiest Woman In The World" by *FHM* magazine in 1996—celebrity strokers rushed to the rental outlets. The scene in question was from the 1992 previously uncelebrated effort, *The Turning*. Scanning through the flick, you will find a quick look at Gillian's left tit as her bra is removed during an erotic interlude. However, if you want to get an even better and way longer view of Gillian's jugs, you have to get your hands on *Straightheads* (2007). This movie exposes the sultry redhead's full, fleshy mams, donning big, hard nipples in a number of scenes that are bound to wear out your stroking hand.

Asia Argento

Italian-born Asia Argento is an actress/writer/director, and the daughter of filmmaker, Dario Argento. She made her first appearance on screen at age nine, and by 18 she was an accomplished, award-winning actress in Europe. It was around this time that Asia began shedding her clothes on screen. 1998 saw Asia get naked in three movies: *Trauma,* and two of her first English language flicks, *New Rose Hotel,* and *B. Monkey*.

Some of Asia's hottest naked, simulated fuck action takes place in *Scarlet Diva* (2000). Argento not only directed herself getting banged doggie style on camera, but the oddly enough, the film was produced by her father.

B. Monkey

B. Monkey

If jerking off to long ganders of Asia Argento is high on your "to-do" list, I recommend *B. Monkey* (1998)

Scarlet Diva

If jerking off to nice, long ganders of Asia Argento is high on your "to-do" list, I strongly recommend *B. Monkey, New Rose Hotel, Scarlet Diva* as well as *Boarding Gate* (2007). Asia has a precious set of monster hooters, and each of these suggested movies offer mucho tit footage. If you are a little light in the wallet and can only pick one of these choices to pull your peter to, go with *Scarlet Diva,* as it also includes two healthy and strokable looks at her full, dark bush.

Take care, and keep on strokin' to the movies!

Adam & Eve opened their tittie vault and dug deep for the second installment of their *Boob-A-Licious Babes* compilation series. The result is a tour de force crank disc featuring a collection of some of the best racks the porn biz has to offer.

The knock on comps is that they feature strictly previously released material. However, breast strokers will feel like they struck mammary gold with this four-hour assembly of many of smut's bustiest cock slaves going hog wild in 12 sperm-spewing sessions.

As with the stars in each scene, the tits run the gamut from D-cup—to off the charts—in both the natural and implanted variety. Breasty MILFs are represented in scenes starring: Lisa Ann, Julia Ann and Angelica Sinn. Younger stars getting their dirty pillows painted white on camera include Kagney Linn Karter, Bree Olson, Tory Lane, and Audrey Bitoni.

Ryaan Reynolds, Sara Stone and Penny Flame take stiff dongs between their natural boulders, while Shy Love, (in a bonus scene), and the legendary Carmen Luvana—with the equally chesty Brooke—rock the rod with saline stocked jugs.

Ryaan Reynolds & Derrick Pierce

Every scene is sweltering, as each pair of tits get plenty of TLC with cocks, lips and tongues. Still, the pussy penetration is nothing less than hardcore as the "Best of" format allows us to see all of these mega stars at the top of their game.—*Steve Stiffle*

HOME IMPROVEMENT XXX: A PARODY

STARRING: Alexis Ford, Syren De Mer, Brynn Tyler, India Summer, Charisma Cappeli

DIRECTED BY: David Lord

AVAILABLE FROM: Adam & Eve

RUNNING TIME: 118 Minutes

HEAT INDEXXX: SSSS

Adam &Eve's latest contribution to the porn parody boom is a send up of the 1990s sitcom, "Home Improvement." Director, David Lord, stays true to the characters and premise of the original show. Casting Anthony Rosano in the starring role was a strong choice, and Rosano's recreation of the role made famous by Tim Allen went a long way in keeping the "Home Improvement" vibe in tact.

Still, you'll mainly want to grab this two-disc set because of the killer fuck action that Lord maintains as the centerpiece of the flick.

Adam & Eve contract, star Alexis Ford, continues to grow as an adult performer in every scene she works. We get to see her in action twice in this project, and her three-way cock and pussy showdown with Syren De Mer and Rosano is easily the most nut-bust worthy scene of the bunch. Alexis returns later for a one-on-one blowjob and cunt cram with Randy Spears that also offers plenty of four-star fucking.

Charisma Cappeli, Brynn Tyler, and India Summer also set it off and in their individual boy/girl bangs, as each girl puts on some of the finest cocksucking, pole riding and cum guzzling work of their respective careers.

Whether you are a fan of the classic sitcom or just an enthusiast for well-shot hardcore nastiness, *Home Improvement XXX* will make a great addition to your smut library.—*Girth Brooks*

Director, Erica McClean, scored praises from critics with her 2010 XXX interpretation of *Alice In Wonderland*. Now she's back with a fun and sordid tale about a traveling food truck packed with hottie whores distributing eats that raise the consumer's libido.

As with *Alice*, *The Flying Pink Pig* features blonde mega-slut Sunny Lane in the starring role. Sunny is definitely one of the most underrated porn stars in the game, and her threesome with Shayla Laveaux is proof with a swollen dick as the clear show stealer. Sunny is equally skilled at working her mouth on cock and cunt, and I defy one to not soak their spunk rag when witnessing her deep kissing cum-swap with Shayla in the scene's final frames.

Sunny's supporting cast includes Megan Foxx, who straddles Tommy Gunn's lap dragon and takes his wad on her bald clam.

Sasha Heart's cock starved snatch grabs the attention from Sasha's 'do, but the hair comes back into play in the end, when the cum shot is cranked into her heavily sprayed mane.

With the assignment of infiltrating the business for her bad guy boss (Ron Jeremy), Nikki Hunter finds herself getting her ass fucked royally by a construction worker. The dude has her suck his dick after pulling it out of her anal canal, and then he explodes on his hard hat, and invites Nikki to lap up the gooey mess.

Dark-skinned diva, Emy Reyes, is the youngster in the cast, but her fucking prowess is no less lethal than the more seasoned starlets with whom she shares the screen.

The Flying Pink Pig ends with a cliffhanger that sets the stage for a *TFPPII*. It's obvious that this will be a sequel with no equal.—*Ryan Channing*

PORNSTAR INTERVIEW

Porn's Golden Gonzo Girl!

When it's all said and done, Jenna Haze might just turn out to be the most prolific porn star of all time. With well over 500 titles in her filmography already, the SoCal bone queen is still one of the most booked starlets in the industry, and any porno that includes one of her filthy fuck sessions is all but assured to be a chart topper.

Her propensity for double penetration bangings, and love of ass-to-mouth cocksucking—earned her the AVN "Best New Starlet" honors in 2003. Since then, Jenna has won countless AVN, FAME, XBIZ and XRCO awards. After ten years in the jizz biz, she created her own production company—Jennaration X Studios—which has taken its place among the top production houses in the XXX industry today.

***SWANK* recently caught up with the busy brunette starlet where she spoke about new projects, her conscientious health requirements, personal relationships and her desire for filthy fucking. Read on to explore more about this veteran jizz queen.**

JENNA HAZE

By Mos Donny

"I try to have as many orgasms as I can..."

SWANK: ***I had a chance to watch your latest release,*** **Legs Up and Hose Down.** ***It's a great mix of hardcore and fetish. Can you tell our readers a bit about the flick?***

Jenna: *Legs Up and Hose Down* is a collection of hardcore sex scenes that are leg and stocking orientated. Girls are wearing fishnets and pantyhose. The girls look really hot, and it's all about those gorgeous gams. The scenes are beautifully shot. It's very sensual and hardcore sexual.

SWANK: ***And, just like with all of your releases, there's tons of content. You don't just crank out these 90-minute jobs.*** **Legs Up and Hose Down** ***is over five hours long.***

Jenna: I like to make movies that also allow for my personality to show. I want the movies to have quality and quantity all at the same time. Yeah, most movies are like, 30 dollars and they're 90 minutes long. Then they try to cram like, six scenes in there and they [have] 20-minute scenes. I believe in giving the viewers a lot of content. The more the better, I believe.

SWANK: ***Since your first Jennaration X title,*** **Cum-Spoiled Sluts** ***(2009) till now, how have you grown as a director and producer?***

Jenna: I've learned how to develop my own style. At first, I didn't know a lot about the technical aspects. I was more of a creative person. Now I've learned about setting up camera angles and editing. Now I know a lot more about putting together a movie. When I started I was like, "Oh, let's shoot some sex." (Laughs) Now I'm planning out shots and planning out how things should be edited. It's really become a turn-on for me to be behind the camera, and be in control of everything. Now I book locations. I hire the girls and book the crew, and choose the wardrobe and the photos for the box and the music. I do everything, and it's quite a challenge, but I embrace it and it's fun.

SWANK: ***When you launched Jennaration X and chose to make you own movies, did you know specifically how your work was going to set itself apart from the rest of the industry?***

Jenna: Yes, definitely. I've been doing this a long time, and I've seen how a lot of the sensuality has been lost in pornography. There's not a lot of kissing, and most of it is more towards the harder edge. Being a gonzo girl, I especially noticed that. And I'm hardcore. I'm not a prude or anything, that's for sure. I love DPs and I love multiple guys, and swallowing and anal and all of that; but, whenever I watch a porno these days, it's like the guy is looking off in the corner while plugging away, and the girl looks like she wishes she was somewhere else. I want to bring chemistry back and make it look pretty, but still have the hardcore sex.

SWANK: ***Does being a director yourself make it harder or easier for other directors to work with you when you shoot for other companies?***

Jenna: When I'm working with other directors all I worry about is giving them what they want. When I'm not directing, I look at it as kind of an easy day. I just get to go in there and have sex, look beautiful and do what the director wants (Laughs). When I shoot for myself, it's my money. Every dime comes from money I made dancing and working, so there's a lot at stake for me.

"I really love my job. I love the movies, the dancing, the website and the signings..."

SWANK: ***You've been in some of the most successful porn parodies ever made, yet your own company hasn't made a single parody. How come?***

Jenna: I think the parody thing is overdone. It's kind of a trend right now, and an easy way for companies to make money. And some of them are extremely well done, but I think they lack originality. I know people can say that teasing and fucking isn't original either, but I try to do it in my own special way (Laughs). The parodies were really fun in the beginning, and if I get offered the right role I'm gonna take it, but it's just kind of overdone.

SWANK: ***Now, you have been in relationships with men where you chose only to do girl/girl scenes and you have also been in relationships where you worked scenes with other men. What are the factors that determine that decision?***

Jenna: It depends on the individual I'm in the relationship with. You know, you can't set any rules with love (Laughs). Different people are okay with different stuff. I also try to do what's right for me at that time, as well as what's right for the relationship. I have to follow my heart, but still keep my business head straight.

SWANK: *You are still in the prime of your career. By the time you retire you will have easily made over 1000 movies. Do you think you would have been prolific in any career you chose, or is there something about having sex on camera that's make you want to do it as often as possible?*

Jenna: Maybe a little bit of both. You know, when I first came into the business, I did it because it was fun to do. At the time, I was picking up guys and having sex with them, so I figured– why not do it in a safe environment? I really didn't think of it as a business when I first started, but now I do. I really love my job. I love the movies, the dancing, the website and the signings. It's all different and I love it all.

SWANK: *Now for your productions you stick to working with only girls that have natural breasts. Is that because you think that's what the viewers prefer to see, or are you making a statement about implants?*

Jenna: There are a couple of reasons. First of all, I'm all natural, and I believe in natural beauty. And yes, there are girls that have fake boobs that I have a huge crush on; I'm not going to lie. But, I think fake boobs are overdone in the business. You have girls that are 18-years-old coming into the business and getting breast implants right away. Plastic surgery has gone way overboard. It's rare to find a girl in this business without fake boobs that have nice tits. And I'm into that, and I want to showcase it. Like I said, I want what I'm about to show through in my movies.

SWANK: *In the industry today there is a big controversy over whether condoms should be required in porn. With your being an actress, director and producer, I'd love to hear your take on the issue.*

"I want to bring chemistry back, but still have the hardcore sex..."

Jenna: As a contract girl who was allowed to use condoms, if I went back out and shot for other companies and wanted to use condoms, I wouldn't get much work. It's funny; someone said to me the other day, "Oh, the girls have a choice. They can use condoms if they want to." It's true that some girls probably can, but the majority of girls who are trying to build their name, if they go and say they only want to shoot with condoms, they're not going to get work. So, it's not really a choice if you don't want your career to suffer. I'm really on the fence on this issue right now, and don't know if I'm going to go condoms only. Health and

safety are the number issue for me and the people I work with, but if we are going to have these outbreaks and problems, why don't they just make the whole business use condoms, and they could level the playing field for all of the girls? I know there are people in the business that are gonna hate me for saying that, but, if I'm working with a girl and she wants to use a condom, I have no problem shooting her. For me, I always get the person I'm going to be working with tested two days before we shoot, so they have a brand new test. And I pay for that out of my own pocket, even if I am working for other companies. I write a check and give it to the guy myself, or they take it out of my pay.

SWANK: ***What most Jenna Haze fans love most about you is that whenever you do a scene, everything is on the table: Anal, DP, cum swap, ATM, etc. It's cool that you put your all into every scene you do.***

Jenna: I just love what I do. Also, why would I want there to be a bad scene with me out there? So, why not give 120 percent all the time? That's what I do. I try to have as many orgasms as I can. I want to please myself, please the director, and my partner as best I can. And, of course, I want to please the audience. So, I'm glad it shows. I've actually had days when I didn't feel well and didn't think I could do a good scene, so I rescheduled. I don't want to do a bad scene. I mean, what if someone only has a chance to see me in one scene and it's bad? I want that scene to hook them. I want to get them addicted to me (Laughs).
